What is Youth Go?

Our mission states, "Youth Go is a voluntary, youth directed, supportive community which offers youth opportunities to learn, grow and feel comfortable with themselves and others."

Youth Go is a drop in center located at 213 Nicolet Boulevard in Neenah. We were founded in 1969 by youth and supportive adults looking for a safe gathering place. Our agency is committed to making a lasting and positive difference in the lives of youth. Through our no cost Recreation, Education, and Support and Wellness Programs, Youth Go strives to provide underserved and at-risk youth in grades 5-12 with opportunities to do well in school, develop as individuals, and prepare for their next step in life. We hope that through participation in programming, youth can learn about themselves, develop positive relationships with peers and adults, grow through their experiences, express their creativity, and cultivate their skills and potential in a safe and supportive environment.

Your sponsorship will help to cover the costs of the event, allowing more of the ticket sales to go directly toward Youth Go's Programming.

Youth Go is seeking sponsors for our Haunted House Events.
