

We are looking for your stories!

In celebration of the 50th anniversary of Youth Go in 2019, we are hoping to commemorate the milestone by featuring stories written by people that Youth Go has positively impacted or that have positively impacted Youth Go. We're looking for people to tell their Youth Go story and how the organization has had an impact on their life. We want to use these stories to celebrate 50 years of Youth Go by showing the community how Youth Go has and continues to make a difference!

Please send this form and a photo of yourself (preferably from your time at Youth Go) to us at info@youthgo.org or 213 Nicolet Boulevard Neenah, WI 54956. Call Youth Go at (920)722-1435 with any questions.
