

**SEED** is a career exploration program. We are going to many different places of business in the Fox Valley area and maybe some schools. Dress code is always BUSINESS CASUAL unless stated otherwise.

Outings happen on MOST MONDAYS of June, July, and August with VARYING TIMES.

Sign-up sheets for each outing will be hanging in the center. It will have all of the information you need: where we are going and what time, when to be here or what time pick-ups are happening, when lunch will be served, what to wear, etc.. Our online Youth Go Calendar, Youth Go's Facebook and Snap Chat will also be updated with this information.

The sign-up sheet also gives you the opportunity to let me know if you need to be picked up or if you are getting dropped off AND if you are going to Youth Go to hang out after the outing or if you need a ride home after the outing. RIDES to Youth Go and home from Youth Go are for Neenah & Menasha local youth only.

There is transportation provided for all attendees TO the outing and FROM the outing.

While at SEED outings, feel free to ask questions! Especially ones that would be asked during an informational interview. You will receive a SEED Journal where you can record each outing and come up with some questions for the people we will be meeting. You can journal in it any way you want and it is yours to keep after SEED ends.

### **OPPORTUNITY!!!**

This year there will be Youth Go SEED shirts available to earn. You have to have gone to 5 out of the 8 SEED outings in order to earn your shirt. Here is an image of it ---->
