

# **HOMework CLUB** with Youth Go

Homework Club is available to all middle school students in the Neenah and Menasha area. It is a **free** program offered by Youth Go in partnership with the Shattuck Middle School and Horace Mann Middle School. Homework Club is held in the Shattuck Library and Horace Mann Library every Thursday from 3:15- 5:00 starting 9/16/21 till 5/26/22. A snack is provided and a permission slip is required in case the student has an emergency and there is need to contact a parent.

It is a quiet and supervised space for free tutoring and homework help, a space to get late schoolwork done, and a great space to work on projects. Youth Go provides some supplies to help complete homework/projects.

Supplies provided as follows: markers, crayons, colored pencils, index cards, office supplies (pens, pencils, highlighters...), calculators, glue, scissors, rulers, stapler, construction paper, lined paper, and graph paper.

**\* If your child has a sibling at either school and they would both like to attend Homework Club, there is an activity bus that runs between both schools so they can both be at a singular place for easier pick up and it is up to you to decide and implement which school is most convenient for your family.**

## **Middle School Homework Club Guidelines**

- **Sign in on the 'sign-in sheet' every day.**
- **After signing the sheet, we will offer snacks.**
- **Make sure to throw away wrappers. If we see snack wrappers or crumbs on the floor we may have to limit snack.**
- **No using computers while you are eating snack. If you are using the school's computers you will need to wash your hands before returning to the computer.**
- **If you need to leave the library at any time please let a staff know.**
- **If you are watching a video or listening to music headphones must be used.**
- **If you are ever in need of school supplies there is a bin full of school supplies by the staff members.**
- **At 3:30 everyone needs to find something to work on. If you don't have any homework you have to do something educational (that includes reading, writing, drawing, something out of our bin, or anything else approved by a staff member). This will go until 4:15. If you don't have homework after that you may use phones/computers quietly.**
- **No phones or computers until 4:15, unless you are working on homework or receive an important message. If you get a call please take it out into the hallway**
- **We are fine with everyone chatting and having a good time, but it must be quietly. Make sure that we all are whispering and not bursting out in laughter.**
- **This time is given to you guys to be productive. If we see too much goofing around or people are being too loud we are going to ask you to head home for the day and continue the following week**
- **To make sure kids are being productive if they do not have homework we will be checking their infinite campus. Make sure that you know your log-in information.**
