

What is Youth Go?

Youth Go is an after-school program that offers a variety of activities and opportunities to youth in grades 5-12 in the Fox Cities! There are no membership fees and everything that takes place at Youth Go is FREE. Youth are not required to come any certain number of days each week and they don't have to stay the entire time. Youth Go is a drop-in center and our goal is to provide a safe and supportive place for youth to spend their time after school and in the evenings. We believe it is important to provide quality programming, interesting activities, qualified staff, and a place to have fun!
