Monday-Thursday: 6pm-9:30pm

Fridays: 3pm-7:30pm

Extra Fun Summer Programs

SAFE Group:

Students **Advocating For Equality** is a peer discussion group that meets once a week on Thursday nights from 6-7pm. LGBTQIA+ and straight ally youth are welcome. SAFE Group provides a space where participants, 7th-12th grade, can thrive, share life experiences, and have some fun! Please contact Alice at alice@youthgo.org with and questions. There is no sign up required for this program.

SAFE Cafe:

SAFE Cafe is on the second Saturday of each month from 9-11am. This drop-in program is open to LGBTQ+ youth in **5th-12th** grade (have completed 4th grade) and their strong allies. This is a time when Youth Go's teen center is open, a different creative arts activity is available each month, and we have lots of food and drink options available throughout the event. This program is **FREE** of charge with food and drinks included. SAFE Cafe offers a safe, welcoming, and affirming place to connect with other youth from throughout the community at one's own level of comfort. Please contact Alice at alice@youthgo.org with and questions. There is no sign up required for this program.

Music, Art & Technology Exploration:

Kurt Stein will be here Mondays for High School time: 6-7pm & Tuesdays for Middle School time: 4:30-5:30pm. He will be teaching Ableton music studio software alongside the Ableton Push for our musically inclined youth. He will also be teaching how to use an Apple Pen on Procreate to create art for our artistically inclined youth. All of the participants will create things individually to come to a common goal of collaborative efforts. Our end product will be a cool animation or video game.

SEED:

Youth Go's career exploration/job shadow program runs during the summer on most Mondays for youth who have completed 8th grade. We visit a variety of jobs in the local area to give young people the opportunity to See, Explore, Educate themselves, and Dream about their desired field! Please contact Danielle at danielle@youthgo.org with any questions and to sign up!

Summer Fit Club:

This program gives youth the chance to find new strengths within themselves, seek new challenges and have fun with their peers in a healthy and positive atmosphere! Challenge by choice! Fridays in June, July and August will feature a different yard game at the park. Megan and another Youth Go staff member will leave for the park after dinner (around 6pm). Plenty of space available and no sign up is required this year. Please contact Megan at megan@youthgo.org for more details!

Community Service Club:

CSC meets on Wednesdays from 3pm-5pm to give young people the opportunity to give back! We volunteer at various locations throughout the local area such as Harbor House and Pillars. Please contact Angie at angie@youthgo.org for more details and to sign up!

Badges for Baseball:

Badges for Baseball is a youth development and mentoring program that pairs youth with law enforcement in a positive way. Through Badges for Baseball, youth in grades 4-8 can take part in a no-cost, non-competitive, and fun baseball program in Neenah or Menasha. Badges meets on Tuesdays or Wednesdays during the summer from 1pm-2:30pm. Scrimmages will be planned on select Fridays. Please contact Timothy at timothy@youthgo.org for more information & to sign up!

Summer Field Trips:

Youth Go offers field trips on many Thursdays throughout the summer. Contact Timothy at timothy@youthgo.org for more details on how to sign up and join the fun!
