

PARENT PERMISSION FOR TRANSPORTATION AND MEDICAL TREATMENT CONSENT FOR MINORS

(to be completed by parent/guardian)

This form will enable your child to participate in out-of-center activities and transportation services for the 2022-2023 school year. It is our policy to contact parents in case of an emergency and the information contained on this form will help us to reach you quickly. The medical authorization will prevent delay of treatment for your child in the event that you cannot be reached in an emergency. We use the emergency facilities of Theda Clark Regional Medical Center or the nearest emergency facility for out-of-town activities.
