Board President's Report

Youth Go's focus in 2022 was to offer in-person opportunities for our youth and community again.

Our staff made it a point to spread awareness of the center and creatively introduced several new in-person programs that resulted in fantastic growth in center attendance.

Both of our major in-person fundraisers—Midwest Sunsplash and The Hallows—were back in 2022. We were able to purchase new vans that are used to pick up and transport participants to and from the center. Lastly, we had an open house to re-introduce ourselves to the community and highlight the improvements that have been made to the center over the past few years.

Thank you so much to all of the staff, donors, participant families, and fellow board members for your part in helping to make these things happen.

Sincerely,

Trevor Rabbach, Board President

Executive Director's Report

As I reflect on 2022, I keep coming back to the word generosity. I continue to be amazed at the way that this community supports the work and mission of Youth Go. It's the couple who brings us their unopened food and treats after the holidays, the volunteer from Community Table who shares the items left over from the day, the people who donate to support Youth Go year after year, and the corporate and family foundations who help fund our programs and services. It is your kindness and generosity that allows us to provide a safe and supportive place for youth to go to make friends, get help with homework, receive snacks and meals, learn new things, explore the community around them, volunteer to help others, and to belong and find connection. We are able to do all of this and more at no cost to our youth or their families because of the generosity of this incredible community.

Thank you for trusting in Youth Go. Thank you for helping to support our work. Thank you for allowing us to have a lasting and positive impact on the lives of area youth.

With a grateful heart,

Kelly Hicks, Executive Director
