30th Halloween Party

November

19th Thanksgiving Dinner
6pm-7:30pm

December

21st & 22nd Holiday Celebration
28th -30th Winter Break Trips

BASEBALL

There was some uncertainty surrounding the baseball program at Youth Go in 2026. Fortunately, it was able to take place. However, with a bit of a twist. For the first time in the 17-year run it was Youth Go Baseball being offered to youth in Menasha and Neenah. What remained the same, though, was that it continued to be an opportunity for participants of all skill levels to have fun on the baseball diamond. Our final event took place on August 28th at Jefferson Park in Menasha - and included a visit from the Wisconsin Timber Rattlers. It was a fun day for everyone involved and a nice final chapter. There are a lot of people who have had a hand in the success of the baseball programs we have offered since 2010, and I wish I could thank each of them by name in the space I have available. What I hope each of them, along with every participant, knows and experienced firsthand, is the absolute joy it has been for me to facilitate our baseball programs during my time at Youth Go. Thank you for giving me this gift. -Timothy

LEADERSHIP EMPOWERMENT RETREAT

Camp went amazing this year! We had 18 kids attend, and they had such a great time! It was really low-key, with some camp activities ((From their staff)) and our staff activities. We swam, kayaked, canoed, took hikes, and biked. The kids made their own food over the fire-- Pizza one night, hobo stew the next. We made s'mores and talked over the fire. Some kids asked to be woken up super early on the first day to go on a peaceful morning walk, and the next day more kids asked to join! It was picturesque. We had so much time on our hands that we got to play many many card games. On the last night, we did the staff hunt. Some of the kids were very good at finding the staff! Most kids were very bad at finding the staff. On the final morning, we went for one more relaxing walk with some of the kids, while the rest enjoyed sleeping in a bit. We did our final closing activity, where we passed around posters with all of our names on it and we all wrote sweet messages on each other's posters and then were able to receive cute messages. When we were leaving, the kids were really bummed it was over, but are looking forward to next year! -Brandon

Thank you to the Sawyer Family Foundation and the Oshkosh Area Community Foundation for helping us make these memories possible!

Mt Olympus

Globe Coffee

JUNE

SUMMER FUN!

We kicked things off with an exciting trip to Mt Olympus with 33 youth!!

Next, was Globe Coffee for breakfast thanks to their generous donation of gift cards. Tired from the early start and then rejuvenated from the fabulous breakfast, we traveled to Riverside Park with a bunch of games and sports activities to play with as well as play on the playground there.

BEING OUTSIDE CAN
LOWER STRESS LEVELS
AND IMPROVE MOOD!
